CAREER OBJECTIVE

Talented and experienced front-end web developer with 3+ years of experience executing a plethora of diverse skills. Experience has taught me to take accessibility and responsiveness seriously, and I am excited to continue my career at Thrive Web development with a focus on Web3, making site developments easily accessible, completely responsive, and intuitive for users.

WORK EXPERIENCE

Website Manager
Remote

📅 December 2022 - current   📍 Roma, Italy

- Evaluated the structure and design of 10+ web pages.
- Developed new features to enhance user experience.
- Created applications mobile-first with responsive designs.
- Optimized web pages for maximum speed and scalability.
- Collaborated with 12 back-end/ front-end developers and web designers to improve web page usability.
- Developed 3 websites for internal project design management.
- Created Elementor UX designs that satisfied business objectives and user needs.

Front-End Developer
Progettovite

📅 February 2022 - November 2022   📍 Avellino, Italy

- Built 2 modern JavaScript-based websites that use company data services.
- Participated in the entire lifecycle of 2 projects from drafting a technical specification, to releasing in production, and everything in between.
- Wrote 100% maintainable code with tests.
- Developed membership, event, and legal platform technology solutions, and automated internal processes.
- Designed and implemented web applications along with 3rd-party software integrations as a web team liaison for all inter-departmental and customer-facing projects.

English Teacher
British Council, Defense University of Afghanistan

📅 April 2018 - March 2021   📍 Kabul, AF

- Responsible for planning and delivering lessons that help students improve their English language skills.
- Assessing students' progress, providing regular feedback on their strengths and weaknesses and helping them set goals for improvement.
- Adapt teaching approach to meet the needs of individual students, including those with different learning styles and levels of English proficiency.
- Collaborate with other teachers, coordinators, and administrators to ensure that students receive a well-rounded education.
